Live your best life. This FREE event will empower you to make lasting changes for a healthier and happier life. You will be able to engage in conversations with Beebe physicians about men's health, cancer prevention, and heart health.

Vendors will provide information on various resources to support many aspects of men's wellness. Free flu shots will be available, and a pharmacist, diabetes educator, and fitness representative will be on hand to discuss concerns and answer questions.

Doors open for screenings and flu shots at 5 p.m.
Dinner starts at 6 p.m.

Limited seating. Register online at:
