Since 1930, the Delaware Academy of Medicine, Inc. has been collecting materials to preserve the history of medicine, dentistry, nursing, and the health professions in Delaware. This collection has grown into the Delaware Academy of Medicine Archive of History of Medicine and Dentistry. The archive now holds books and journals, medical and dental instruments, furniture, photographs, records of Delaware medical societies, including the Academy itself, personal papers of and biographical information about members of the Delaware medical community, and paintings, sculptures, and other art works.

The Academy's investments consist of investments that are available for general operations and investments that are restricted in purpose by the donor. The investments are monitored by an independent advisory council who provides counsel to the Board of Directors. All fiduciary responsibility lies with the Board of Directors. The investments are managed by Brown Advisory, in compliance with established Board investment policies and restrictions placed upon the funds by donors. The Carpenter Trust was established by the donor in order to provide funding for the Academy's medical student loan program. The Preston Trust is used to help fund the Academy's general operations and provides for a monthly transfer to the Academy's operating account. In addition, a portion of this Trust is also to be used for the student loan program.
