Part XIII Supplemental Information (continued)
The Academy's investments consist of investments that are available for
general operations and investments that are restricted in purpose by the
donor. The investments are monitored by an independent advisory council
who provides counsel to the Board of Directors. All fiduciary
responsibility lies with the Board of Directors. The investments are
managed by Brown Advisory, in compliance with established Board investment
policies and restrictions placed upon the funds by donors. The Carpenter
Trust was established by the donor in order to provide funding for the
Academy's medical student loan program. The Preston Trust is used to help
fund the Academy's general operations and provides for a monthly transfer
to the Academy's operating account. In addition, a portion of this Trust
is also to be used for the student loan program.
